FOR THE DISTRICT OF SOUTH CAROLINA
BEAUFORT DIVISION

IN THE MATTER OF THE)
COMPLAINT REGARDING EARL)
DAWSON CALDWELL, IV, a/k/a)

NO.: 9:21-mj-81

ORDER TO SEAL

This matter comes before the Court on motion of the United States to file the affidavit in support of the arrest warrant under seal. The purpose of the Government’s request is to protect the information contained within this document as release of the information would jeopardize an ongoing investigation, reveal sensitive information about the nature and scope of the investigation, disclose the identity of cooperating sources and potential witnesses, and could result in the destruction of evidence or flight from prosecution.

Having conducted an independent review of the facts set forth in the affidavit in support of the arrest warrant as well as the reasons provided by the Government in its sealing motion, the Court concludes that the Government’s significant countervailing interest in sealing outweighs the common-law public interest in access to such document and that sealing the affidavit is “essential to preserve higher values.” *See Media Gen. Operations, Inc. v. Buchanan*, 417 F.3d 424, 429-31 (4th Cir. 2005). The Court further concludes that, by sealing only the affidavit in support of arrest warrant and providing public access to the arrest warrant, criminal complaint, the motion to seal and this sealing order, the denial of access is narrowly tailored to serve the government’s interests in sealing. *Id.* at 429.

In reaching this conclusion, the Court has considered alternative measures less restrictive than sealing—such as redaction of portions of the document—but finds that, at this juncture,

redaction would not protect the Government's compelling interests and un-redacted portions would largely be limited to information available in the arrest warrant and complaint. *See In re Search Warrant for Secretarial Area Outside of Gunn*, 855 F.2d 569, 574 (8th Cir. 1999) (explaining that "line-by-line" redactions were "not practical" where "[v]irtually every page contain[ed] multiple references" to sensitive information); *In re Search of Office Suites for World & Islam Studies Enterprise*, 925 F. Supp. 738, 744 (M.D. Fla. 1996) (rejecting redactions of affidavit due to "concerns that unsealing even a portion of the affidavit would reveal, either explicitly or by inference, the scope and direction of the Government's investigation"); *In re Search Warrants for Nat'l Builders Corp.*, 833 F. Supp. 644, 646 (N.D. Ohio 1993) (finding that sealing of search warrant affidavit was justified when "[v]irtually every page of the affidavit contain[ed] references to conversations and events, and reveal[ed] the nature and scope of the ongoing government investigation, including individuals not within the scope of the search warrant").

Based on the foregoing, the Court finds that the interests of justice are best served by filing the affidavit under seal. Working copies may be made available to the United States Attorney's Office, Homeland Security Investigations, and any other law enforcement agency designated by the United States Attorney's Office.

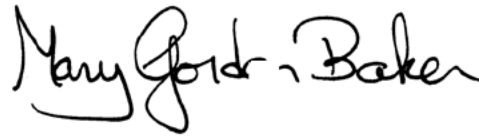

Unless otherwise ordered, the document sealed by this order shall remain sealed for one year from the date of this order, subject to extension for good cause shown and to the following unsealing protocol: Any person or party who seeks access to the document sealed by this order may file a written motion or request to unseal. The Clerk of Court is directed to file any motion or request to unseal on the public docket. Regardless of when the motion or request is made, the document sealed by this order shall remain sealed until the Government or other affected party has

an opportunity to respond to any motion or request to unseal. The Government is further authorized to disclose the document sealed by this order in accordance with the Court's Standing Order Governing Discovery upon entry of such order.

It is therefore,

ORDERED that the affidavit shall be filed under seal.

IT IS SO ORDERED.
